

# Gogny Conference - Nuclear structure and reactions

## Thursday, December 12, 2024

### Quantum Computing (8:45 AM - 10:40 AM)

-Conveners: Paul Indelicato

time	[id] title	presenter
8:45 AM	[48] Quantum computing applied to nuclear physics	Dr LACROIX, Denis LACROIX, Denis
9:25 AM	[49] Imaginary Time Mean-Field and Shell Model on Quantum Computers	Prof. STEVENSON, Paul
9:50 AM	[50] Towards Quantum Simulations of Nuclear Reactions	Dr PEDERIVA, Francesco
10:15 AM	[80] Nuclear structure correlations from a quantum information perspective	Prof. ROBLEDO, Luis Miguel
