

Progress in algorithms and numerical tools for QCD

mardi 18 juin 2024

Bayesian inference and environmental impact of numerics: Bayesian inference and environmental impact of numerics - IJCLab (16:00 - 17:30)

time	[id] title	presenter
16:00	[4] Bayesian techniques for Lattice QCD	Dr FRISON, Julien
16:30	[5] Hadron electromagnetic form factors using Dyson-Schwinger equations'	Dr YAO, Zhao-Qian
17:00	[6] Carbon footprint of computational physics	Dr BECK, Arnaud
