

Progress in algorithms and numerical tools for QCD

mercredi 19 juin 2024

Quantum computing and machine learning: Quantum computing and machine learning - IJCLab (09:30 - 11:00)

time	[id] title	presenter
09:30	[10] EOS, a Bayesian package for flavour physics	Dr REBOUD, M�ril
10:00	[11] Machine learning in QCD experiments	Dr BUTTER, Anja
10:30	[12] Applications of quantum computing: a focus on lattice simulations	Dr LACROIX, Denis
