

# AHIPS 2024

## mercredi 16 octobre 2024

### Session 7: Part 1 - 100/0-MXX - Salle des Conseils (09:55 - 10:30)

time	[id]	title	presenter
09:55	[2]	The Science Case for Low-Energy Positron Beams	RIENÄCKER, Benjamin

# vendredi 18 octobre 2024

## Session 7: Part 2 - 100/0-MXX - Salle des Conseils (10:10 - 11:30)

-Présidents de session: Benjamin Rienacker

time	[id] title	presenter
10:10	[26] High intensity positron beams from an SC-LINAC for materials research	WAGNER, Andreas
10:30	[27] Overview, current status and plans for the Slow Positron Facility at KEK together with the slow positron applications	WADA, Ken
10:50	[28] The positron line of the GBAR experiment at CERN	LISZKAY, Laszlo
11:10	[29] Recent progress at the AIST slow positron beam facility	MICHISHIO, Koji
