

## 14th IDPASC School

The banner for the 14th IDPASC School features a dark blue background with white text. On the left, there are logos for IDPASC, UC Lab (Irene Joliot-Curie), C22, irfu, CNRS, Université Paris-Saclay, and Université Paris Cité. The main text reads "The International Doctorate Network in Particle Physics, Astrophysics and Cosmology". Below this, the dates "15-25 July 2025" and the location "Salle des conseils Bâtiment 100" are displayed. On the right, there are two images: a galaxy with a bright core and a colorful, multi-colored star field. A URL "IDPASC: <https://idpasc.lip.pt>" is visible in the bottom right corner of the banner.

ID de Contribution: **10**

Type: **Non spécifié**
