

Programme des sessions

15-25 juil. 2025

The banner features a dark blue header with the text "The International Doctorate Network in Particle Physics, Astrophysics and Cosmology" in white. Below the header, there are two main images: on the left, a stylized representation of a particle detector or accelerator; on the right, a colorful, abstract visualization of particle interactions or cosmic structures. The left side of the banner includes logos for IDPASC, IJCLab (Irene Joliot-Curie), CEA, IRFU, CNRS, Université Paris-Saclay, and Université Paris Cité. The date "15-25 July 2025" and the location "Salle des conseils Bâtiment 100" are displayed in a yellow box at the bottom left. The URL "IDPASC, <https://idpasc.lip.pt>" is visible in the bottom right corner of the banner.
