

Programme des sessions

1-4 avr. 2025

The banner for the DRD Calo 2025 Collaboration meeting features a collage of scientific images. On the left, logos for IJCLab (Irène Joliot-Curie), CNRS, Université Paris-Saclay, and Université Paris Cité are displayed. Below these logos, the text '1-4 April 2025' and 'Auditorium Irène Joliot-Curie Building 100' is shown. The central part of the banner contains four images: a particle detector cross-section, a 3D visualization of a particle track, a close-up of electronic components, and a particle detector's internal structure. The title 'DRD Calo 2025 Collaboration meeting' is prominently displayed in white text on an orange background at the top right of the banner.
