

8th to 12th of Sept. 2025

**Auditorium
Pierre Lehmann**
(Bat 200)

Eighth Plenary Workshop of the Muon g-2 Theory Initiative

A few information

The local organizing committee

Group photo: Tuesday morning during the coffee break

Internet connection

- The default choice is eduroam
- If eduroam does not work, here is the [instruction](#):
 - Connect to “IJClab-Public”
 - Select “Register”, an “EMail Register” window appears
 - Put your last name, first name and email address and select again “Register” and wait
 - When the connection window appears, you have 7 minutes to go to your mailbox
 - You receive an email “Sending your IDs” where you find your login and password
 - Then you can come back to the “Sign in” window and connect
 - Do not forget to accept the CNRS charter

Location of coffee

- The coffee will be served during the breaks at the cafeteria in this building, where you can find other machines to pay coffee or tea of your choice (top right photo)
- Coffee may be also served at lunch place (see next slide)
- You can get drinkable water from this machine in front of the auditorium (bottom right photo)
- In addition to the auditorium, both the cafeteria and room “salle bleue” next to the auditorium can be used except for Wednesday during lunch time (SC meeting)

Location of lunch

Lunch starting @1pm served in building 230 (right hand side when you enter the building)

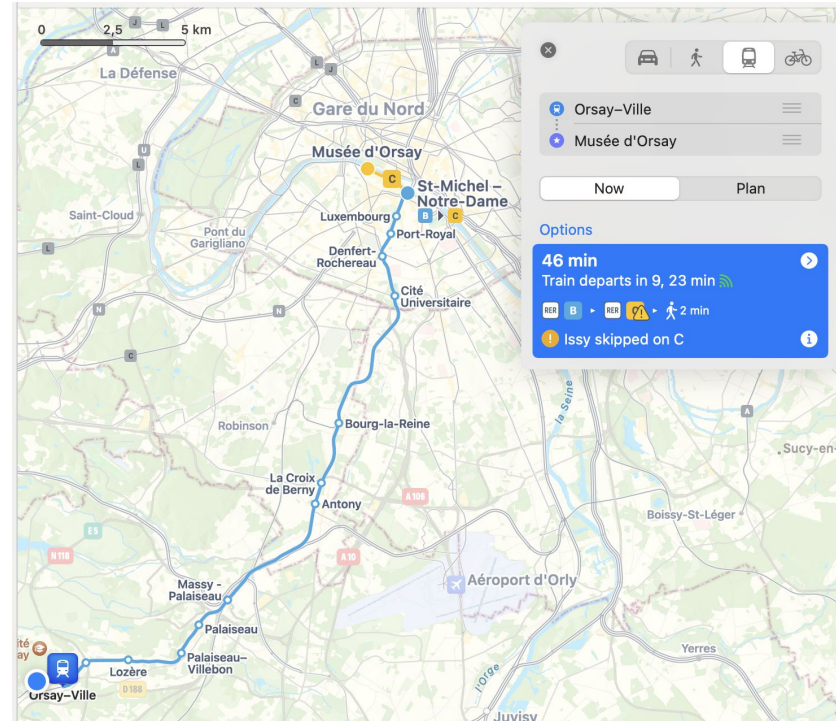

Reception on Monday evening

Welcome drink and cocktail dinner will be served in the same cafeteria as for coffee starting at 19:00

Short visit + dinner at Musée d'Orsay @ Paris

For those who have paid the fee and got the confirmation, please go to Paris at your own on Thursday. For the first slots, please be there at 17:30 for a visit starting at 18:00. The next slots will be 15 minutes later.

Strike and social events likely on Wednesday

It is possible that strike and social events foreseen on Wednesday may affect public transport. So please be prepared. We shall provide more information on Tuesday if any.
