8th Plenary workshop of the Muon g-2 Theory Initiative 2025

MC, radiative corrections

IJCLab, 200/0- Auditorium P. Lehmann

mar. 9 septembre

10:30

MC, radiative corrections: MC, radiative corrections**Session** | **Site:** IJCLab, 200/0- Auditorium P. Lehmann | **Responsable de session:** Fedor Ignatov

10:30 – 10:50

Dispersive analysis of the isospin-breaking corrections to $\pi\pi$ scattering and pion vector form factor**Orateur**

Martina Cottini

10:50 – 11:20

RadioMonteCarLow 2 overview**Orateur**

Marco Rocco

11:20 – 11:40

McMule update**Orateur**

Sophie Kollatzsch

11:40 – 12:00

Babayaga@NLO**Orateur**

Fulvio Piccinini

12:00 – 12:20

Fast evaluation of Feynman integrals for Monte Carlo generators**Orateur**

Pau Petit Rosas

12:20
