

Programme des sessions

8-12 sept. 2025

8th Plenary workshop of the Muon g-2 Theory Initiative 2025

Disp HLbL discussion

IJCLab, 200/0- Auditorium P. Lehmann

ven. 12 septembre

11:00

Disp HLbL discussion: Disp HLbL discussion

Session | **Site:** IJCLab, 200/0- Auditorium P. Lehmann | **Responsable de session:** Peter Stoffer

11:00 – 11:15 **Tensor meson pole contributions**

Orateur

Emilio Estrada

11:15 – 11:25 **Update on HLbL in soft kinematics**

Orateur

Jan-Niklas Toelstede

11:25 – 12:30

Discussions (tensor TTFs, towards more detailed comparison of lattice and data-driven evaluation; HLbL lattice overflow)

12:30
