

Programme des sessions

3-4 juil. 2025

PHENIICS FEST 2025

High Energy Astrophysics

IJCLab, 100/-1-A900 - Auditorium Joliot Curie

jeu. 3 juillet

09:50

High Energy Astrophysics: Field-level cosmological inference from galaxy surveys

Session | **Site:** IJCLab, 100/-1-A900 - Auditorium Joliot Curie | **Responsable de session:** Hugo Simon

10:10

10:10

High Energy Astrophysics: Primordial black holes uncertainty and opportunity for early universe physics

Session | **Site:** IJCLab, 100/-1-A900 - Auditorium Joliot Curie | **Responsable de session:** Mathieu Gross

10:30
