Dark Matter Day @ IJCLab

Observation and indirect searches

IJCLab, 100/-1-A900 - Auditorium Joliot Curie

mer. 6 mai

15:20

Observation and indirect searches

Session | Site: IJCLab, 100/-1-A900 - Auditorium Joliot Curie

15:20 - 15:40 **DM and GW: recent results from LVK**

Orateur

Thomas Jacquot

15:40 - 16:00

Galaxy surveys and dark matter: from previous surveys to the LSST era

Orateur

Sylvie Dagoret-Campagne

16:00 - 16:20 **Dark matter as compact objects: microlensing from EROS to LSST**

Orateur

Marc Moniez

16:20 - 16:35

Does the Quantum Vacuum Gravitare? The ARCHIMEDES Experiment and Its Dark Matter Implications

Orateur

Xavier Sarazin

16:35
