

Programme des sessions

12-14 oct. 2026

French-Ukrainian Workshop 2026

QED in Matter

IJCLab, 200/1-139 - Salle 139

lun. 12 octobre

09:10

QED in Matter

Session | **Site:** IJCLab, 200/1-139 - Salle 139

09:10 - 09:30

Quantum and classical effects in scattering of fast charged particles in thin crystals

Orateur

Sergii Shulga

09:30 - 10:00

TSF effect

Orateur

Sergii Fomin

10:00 - 10:20

TBC

Orateur

Igor Kyryllin

10:20 - 10:40

Coherence phenomena in K-shell ionization and characteristic radiation by high-energy particles and ultrashort electron bunches in crystalline and amorphous targets

Orateur

Sergii Trofymenko

10:40
