

Nomura visit – France : LAL-Orsay, CEA-Saclay, IN2P3 15/1/2015

Japanese delegation :

Satoshi MIHARA, Professor, Institut of Particle and Nuclear Studies (KEK)

Susumu KAMADA, Emeritus Professor (KEK)

Michio KITAMURA, Deputy General Manager (NRI)

Tomohiko TANABE, Project Assistant Professor, International Center for Elementary Particle Physics (University of Tokyo)

French participants:

CEA-Irfu:

Philippe Chomaz (Head of the Institute for research into the fundamental laws of the Universe)

Anne-Isabelle Etiennevire (Head of particle physics division, CEA-Irfu)

Pierre Vedrine (Head of the accelerator, cryo-magnetism division, CEA-Irfu)

LAL-Orsay:

Achille Stocchi (Director, LAL-Orsay)

Philip Bambade (Head of the Accelerator division, LAL-Orsay)

Roman Poeschl (Head of ILC group, LAL-Orsay)

David Rousseau (Head of Atlas group, LAL-Orsay, tbc)

Walid Kaabi (Head of XFEL project, LAL-Orsay)

Sébastien Bousson (Head of ESS-project, IPN-Orsay, tbc)

IN2P3:

Ursula Bassler (Scientific deputy director of IN2P3)

Bernard Launé (Coordinator for accelerator technologies of IN2P3)

Program:

9h00 Arrival at **LAL-Orsay – entry hall**

9h00-10h15 Salle du conseil

Discussion on scientific issues

(Achille Stocchi, Philip Bambade, Roman Poeschl, David Rousseau)

10h30-11h45 Salle du conseil

Discussion on accelerator developments

(Achille Stocchi, Philip Bambade, Walid Kaabi, Sébastien Bousson)

-- Transfer to CEA Saclay --

12h15-13h30 Lunch and Interview Philippe Chomaz

13h30-15h00 Interview with Anne-Isabelle Etiennevire and Pierre Vedrine

15h00-16h30 Interview with Ursula Bassler and Bernard Launé

LAL-Orsay (contact Philip Bambade: +33 617 79 28 91)

CEA-Saclay (contact Nicolas Alamanos: +33 685 92 43 67)

IN2P3 (contact Ursula Bassler: + 33 623 49 13 68)
