

energysquare

THE NEW
GENERATION
OF
WIRELESS
CHARGERS

WHAT WE WANT TO CHANGE ///

0%

VISION ///

- **Most of the time** our **devices** are laid on **inert surfaces** : tables, nightstands, etc...
- We want to make **the most of this time** to **charge it** !

VALUE PROPOSITION ///

Charge all your devices
simultaneously

Maximum
charge **speed**

No wave emission
No power losses

Full **compatibility**

Daniel & Timothée **meet** with Matthieu

Master: Microelectronics
Prototype with researchers

PEIPS

Incubateur Paristech Entrepreneurs

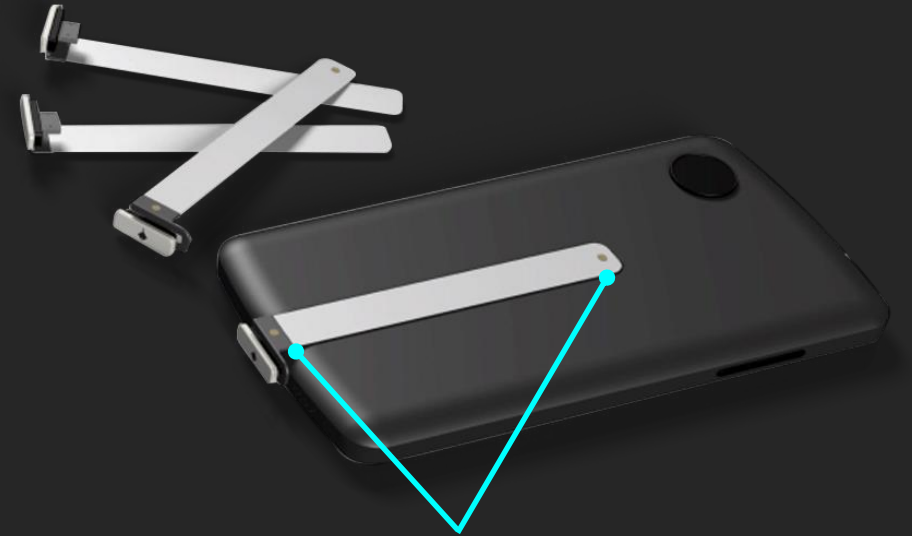

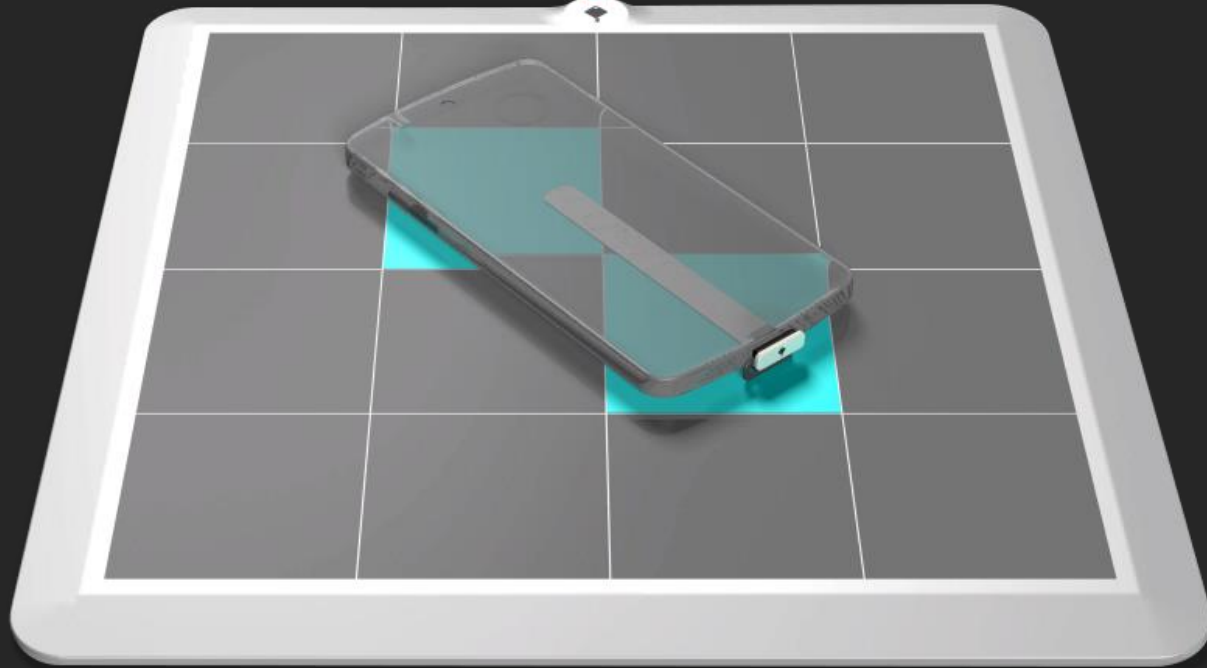

THANK
YOU.
