

## Séminaire LAL

***Dr. Anna Sfyrla***  
***(Université de Genève)***

**vendredi 20 janvier 2017 à 11h00**

### ***ATLAS Trigger System in LHC RUN-2***

The Run-2 ATLAS trigger system will be described in this seminar. Performance aspects will be discussed, focusing on the impact of the challenging high pile-up conditions. Future plans will be outlined, from the new developments prepared for the rest of Run-2 up to the upgrades of ATLAS for higher luminosity data-taking.

**Salle 101** - Bât. 200, Orsay

*Thé et café seront servis 15 mn avant le séminaire*

*Organisation : Reisaburo Tanaka (LAL) – [seminaires@lal.in2p3.fr](mailto:seminaires@lal.in2p3.fr) - <http://www.lal.in2p3.fr>*
