Session 7 : Single beta decays and nu-responses (14:00 - 15:50)

time	[id] title	presenter
14:00	[66] KATRIN Tritium experiment	GUIDO DREXLIN
14:30	[67] Charge exchange reactions for single and double beta nuclear matrix elements	DIETER FREKERS
15:00	[68] Muon capture as a probe of double beta decay	MARKUS KORTELAJNEN
15:20	Coffee Break
