

# GDR Supersymétrie

## mercredi 3 décembre 2008

### Testing Models at Colliders 3 - 101 (16:15 - 18:00)

time	[id] title	presenter
16:15	[8] Determination of Higgs couplings at the LHC	RAUCH, Michael
16:35	[10] A light neutralino in hybrid models of supersymmetry breaking	PARMENTIER, Jeanne
16:55	[7] Why the cNMSSM? Low-energy phenomenology and possible signatures at the LHC	TEIXEIRA, Ana
17:30	[21] NMSSM in disguise: discovering singlino dark matter with soft leptons at the LHC	KRAML, Sabine
