AI and physics conference social dinner at Musée d'Orsay

jeudi 28 avril 2022 18:30 (3 heures)

For attendees who have confirmed registration only.

No later than 6:30PM at entrée B (river side) of Musée d'Orsay (reserved for groups). Please have your badge, or be with someone who has a badge and can vouch for you.

Then, visit on your own, with audioguide.

We reconvene no later than 8:30PM at the restaurant on the second floor.

From Le Guichet RER B station, please count 50' : RER B to Paris, change at Saint-Michel, RER C to Musée d'Orsay (towards Versailles Rive Gauche, other directions work as well, but not Versailles-Chantiers!), best is to use the app Citymapper, Google Map works as well but less clear on directions. RER will still run after dinner.
