

AstroParticle Symposium

Organised by Fabio Acero, Philippe Brax, François Brun,
Olivier Deligny, Carla Macolino, Yann Mambrini & Fabian Schussler

18 October – 26 November 2021

Week 1

Ecosystem of the galactic cosmic-rays

Week 2

Ultra-high energy cosmic rays

Week 3

Dark matter theories

Week 4

Dark matter, experiments meet theories

Week 5

Gravitational waves and compact objects: experiments
meet theories

Week 6

Gravitational waves, the theoretical point of view
