

Dear Participant,

We are glad to welcome you to the [Invisibles Workshop 22](#) that will take place at IJCLab, in Orsay, from **20 to 24 June 2022**.

Below you can find practical information regarding your stay and your participation.

Venue

IJCLab is in the Orsay campus of Université Paris-Saclay (cf. map above), 25 km southwest from Paris inner city limits. The easiest way to reach the campus is by taking the local train RER-B (light blue on the map) and get off the train at the stop ``Orsay-ville'' [or ``Bures-sur-Yvette''] [about 40 min from Paris and about 75 min from the Charles-De-Gaulle Airport].

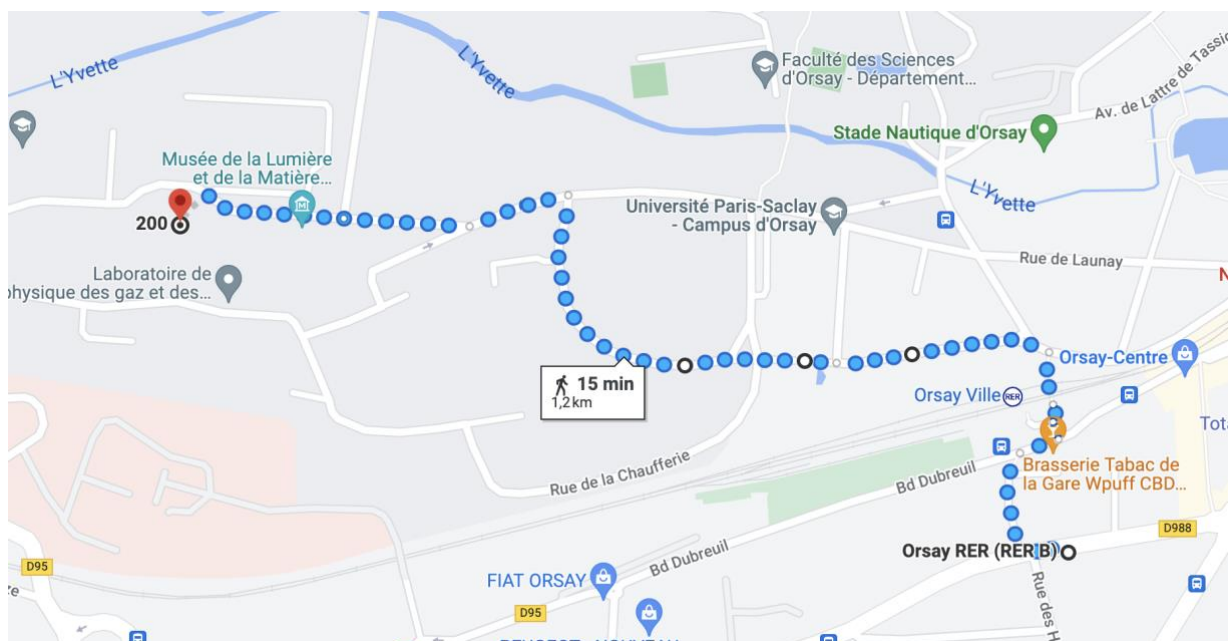

How to reach Orsay?

- **Arrival by plane to Roissy/Charles de Gaulle:**
Follow the signs ``Paris by train`` and ``RER-B`` and walk to the local train station. You should buy a ticket to ``Orsay-ville`` and then board a train in the direction of ``Saint Rémy-lès-Chevreuse`` (see the above map).
- **Arrival by plane to Orly:**
Follow the sign ``OrlyVal`` and ``Paris by train`` and walk to the OrlyVal-shuttle. Before boarding the shuttle you should buy a ticket to ``Orsay``. The shuttle brings you to the RER-B stop ``Antony`` where you should get on a train heading in the direction of ``Saint Rémy-lès-Chevreuse`` (see the map above).
- **Arrival by train to Paris:**
The main train stations in Paris are connected to the local train ``RER-B``. At the *Gare du Nord* there is a RER-B stop underground. From the *Gare de Lyon*, instead, you can take the Métro (line 1) and join the RER-B at the stop ``Châtelet Les Halles``. In any case, you should buy a ticket to ``Orsay`` and then board a train in the direction of ``Saint Rémy-lès-Chevreuse`` (see the above map).
