

AstroParticle Symposium 2022

jeudi 3 novembre 2022

Colloquium: Testing Superstring Theory with Cosmological Observations (11:00 - 12:00)

-Présidents de session: Robert Brandenberger

time	[id] title	presenter
11:00	[53] Colloquium (Testing Superstring Theory with Cosmological Observations)	BRANDENBERGER, Robert

vendredi 4 novembre 2022

Colloquium: Decontamination of the scientific literature with the 'Problematic Paper Screener': Flagging suspect/erroneous/fraudulent papers to crowdsource post-publication reassessments (14:00 - 15:00)

-Présidents de session: G. Cabanac

lundi 7 novembre 2022

Colloquium: Cosmological tensions and possible connections with new physics (11:30 - 12:30)

-Présidents de session: Julien Lesgourgues

jeudi 17 novembre 2022

Colloquium: Transient science with the Rubin Observatory (14:00 - 15:30)

-Présidents de session: Anais Möller
