11.6 SET. 2000

To the President of CERN Council

Prof. Torsten Åkesson

Subject: Status of SuperB Project

Dear President,

With reference to SuperB Project which is being discussed at the European Strategy session of CERN Council, I would like to inform you that the Ministry I chair has included it in a restricted group of proposals submitted to the Italian Economic Programming Committee for their funding, since I appreciate the aspects of highest scientific and technological innovation of the forementioned project.

Mariastella Gelmini
