

OpenQMBP2023: New perspectives in the out-of-equilibrium dynamics of  
open many-body quantum systems

ID de Contribution: 71

Type: **Non spécifié**

## **Nonlinear sigma model description of monitored Majorana dynamics**

*vendredi 23 juin 2023 15:40 (30 minutes)*

**Orateur:** FAVA, Michele (Philippe Meyer Institute, Ecole Normale Supérieure (ENS))

**Classification de Session:** Quantum trajectories and monitoring in Gaussian models
