

IJCLab students bureau

Contact us at : student-bureau@ijclab.in2p3.fr

What is the role of the students bureau

1. **Events** organised for students by students
 - a. Afterworks
 - b. Movie nights **Next one the 10th of February !**
 - c. Game nights
 - d. Petit déjeuners **Every first Monday of the month. Next one on 7th of Feb!**
 - e. Christmas party, Barbecue in the summer etc...
 - f. Freshers day in October
 - g. The student's room

- 1) Representation of the students in IJClab
=> Mathis and Lucas are part of the conseil de laboratoire
- 2) Support if problems with supervisor/working group
- 3) Intermediary, if needed, between students and members of the different instances of the lab or university
- 4) Guide for new arriving PhD students

The current bureau

Lucas (A2C)

Noémie (PHE)

Mathis (E&E)

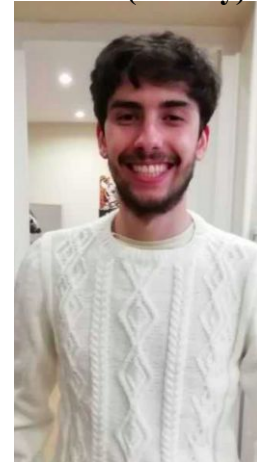

Manar (Accelerators)

Gilles (A2C)

Simon (Theory)

Lucas Gréaux

1. **Who I am** : A second year PhD student in Astroparticle Physics and willing to make the lab a better place
2. **Contact** : greaux@ijclab.in2p3.fr, building 100M, office 118
3. **Languages** : French, English
4. **Interests** : Video games and board games, tabletop RPGs, playing drums and sax, cooking and drinking beers...
5. **I think the bureau is...** A happy place for everyone in the harsh PhD life

Mathis Hitier

1. **Who I am**: A second year PhD student in Nuclear Physics, pole Energy and Environment... doing chemistry.

2. **Contact**:

mathis.hitier@ijclab.in2p3.fr

+33629755324

Building 108, office J201

1. **Languages** : French, English, Spanish
2. **Interests** : Reading, teaching, board games, RPG, danse and any kind of sports (currently learning tennis).
3. **I think the bureau is...** ~~a place where my friend Dread dragged me~~, a place to organise the PhD student life and meet people :).

Noémie Pilleux

1. **Who I am** : A second year PhD student in Hadronic Physics, exploring the neutron structure and building detectors
2. **Contact** : pilleux@ijclab.in2p3.fr, building 100M, office 109
3. **Languages** : French, English
4. **Interests** : engraving, printmaking and other art stuff, taking care of plants/animals/ other living things, cooking, playing music...
5. **I think the bureau is...** a place to meet and share support with passionate and interesting people

Manar Amer

1. **Who am I:** I'm a 3rd year PhD student in Accelerator Physics and part of ALEA group working on ThomX experiment .
2. **Contact:** manar.amer@ijclab.in2p3.fr , office 108b - building 208.
3. **Languages:** Arabic, English, French (in progress)
4. **Interests:** Cooking, Food, hiking, taking a walk.
5. **I think the bureau is....** a place to take a break and build friendly relations.

Gilles Weymann

1. **Who I am** : A second year PhD student studying the phenomenology of inflation, the primordial phase of the Universe
2. **Contact** : weymann@ijclab.in2p3.fr, building 200, office 162
3. **Languages** : French, English, Esperanto
4. **Interests** : Sleeping
5. **I think the bureau is...** a writing desk with drawers and typically an angled top opening downwards to form a writing surface.

Simon Cléry

1. **Who I am** : A second year PhD student studying theoretical models of (Dark) Matter production in the early Universe.
2. **Contact** : simon.clery@ijclab.in2p3.fr, Building 210
3. **Languages** : French, English
4. **Interests** : Hiking, Tennis, Gaming, Arts...
5. **I think the bureau is...** an opportunity to meet people and organize a social life between students within the lab.

The students room

Room M106 Building 100M:
