

Higgs Hunting 2023

ID de Contribution: 133

Type: Non spécifié

First measurement of the Higgs boson production cross-section at $\sqrt{s} = 13.6$ TeV in the $H \rightarrow ZZ^* \rightarrow 4l$ channel with the ATLAS detector

lundi 11 septembre 2023 14:15 (12 minutes)

Orateur: REED, Alice (Max Planck Society (DE))

Classification de Session: Topical talks
