Magnetic fields : non-ideal MHD collapse models (09:00 - 12:45)

time	[id] title	presenter
09:15	[96] Registration (access badge and lunch tickets distribution)	
09:30	[133] Welcome Introduction by Institut Pascal Director	
09:45	[1] Magnetized models (review)	TOMIDA, Kengo
10:25	[2] Models with ionization from protostellar CR, stellar feedback (review)	OFFNER, Stella
11:05	[3] Discussion in amphitheater / coffee	
11:45	[63] Gonzalez (multiplicity in models vs obs)	
12:00	[5] Mauxion (non-ideal disk formation+evolution with Idefix)	MAUXION, Jonah
12:15	[6] Commercon (disks in massive star formation)	COMMERCON, Benoit
